DESCRIPTION

Pinpoint your ideal market within the enormous manufacturing industry by selecting Business/Industry Type, Employee Size and Annual Sales Volume. Additionally, this file is broken down into specific executive titles to ensure that your information gets to the right decision maker within the company. This list is a vital resource for marketers of a variety of products and services including machinery, uniforms, payroll solutions, insurance, IT/network services, computers, management consulting, trade/industry publications, etc. Through Datamatrix Lists extensive research, this data has been collected from numerous sources including professional directories, association memberships, government licensing databases and other proprietary data sources to offer marketers one of the most comprehensive listings of executives within the manufacturing field.
