DESCRIPTION

This Datamatrix List provides an invaluable resource for anyone trying to contact restaurants, bars, fast-food establishments or nightclubs. These types of businesses use numerous products and services to keep their sales running smoothly and rely on outside suppliers for the bulk of these needs. This list can be broken down by number of employees as well as sales volume, allowing vendors and service providers to reach the specific segment of the market that they're looking for. A perfect resource for food wholesalers, kitchen supplies, cleaning supplies, and uniforms. Also, excellent candidates for cleaning services, insurance offers, accounting and payroll solutions, marketing/advertising companies and business consultation. As well, since the majority of restaurants and bars are individually owned, this list provides a link to these prime consumers of insurance and investment opportunities, vacation offers and various high-ticket items to treat themselves with for all their hard work.
